Financial Best Practices for Villages

Ross Hamory - Treasurer, Mount Pleasant Village

Eva Lucero - Executive Director, Dupont Circle Village

Elaine Vaughan - Financial Operations Associate,
Supporting Strategies

Break: Sign Into Breakout Sessions

- Village 1.0: Ideal for younger villages whose budgets are lower and who need guidance on building a strong bookkeeping infrastructure.
- Villages 2.0: Ideal for villages that may be experiencing some growing pains as they mature. Here's a chance to learn how to tweak your processes and keep from "getting crushed" with your workload.
- Villages 3.0: Ideal for villages that have a strong financial foundation but could use some professional guidance on a burning issue or two in this "ask the expert" format.

NOTE: MEETING ENDS AT CONCLUSION OF BREAKOUT SESSIONS
